

Module Title:	Web and Mobile Technologies
Module Code:	B9IS124
Module Leader:	Ehtisham Yasin
Stage (if relevant):	9
Assessment Title:	Develop a responsive web application, optimised for mobile, tablets and desktop devices
Assessment Number (if relevant):	1
Assessment Type:	Practical/Presentation
Restrictions on Time/Length : +/- 10%	1,000 – 1,500 words.
Individual/Group:	Group (2 Members)
Assessment Weighting:	30%
Issue Date:	22/10/2019
Presentations Date:	12/11/2019
Hand In Date:	19/11/2019 (11:59pm)
Planned Feedback Date:	4 weeks after submission
Mode of Submission:	Online via Moodle

Students must submit their assignments on Moodle.

Assignment Objectives:

1. To develop a web application that utilises your HTML and CSS knowledge
2. To implement jQuery and jQuery mobile on your website for animations and updates
3. To optimise the website for mobile and tablet devices

Details of assignment brief

Scenario

You have been hired by a car adverts business, and have been tasked to develop a website that allows you to view a number of car adverts (develop a system to display at least 10 records each record should have multiple images etc.). You will work on the layout of the website and allow for the user to navigate through various makes and model, and find the car they're interested in. You should design the same for a mobile device as well.

The user should be able to lookup the advert based on make, model and year of manufacture for the car, and view the details of each ad, using the print CSS.

The user should be able to contact the dealer using a contact form if they're interested in the ad.

Assessment Task (100 Marks) – Weighting (45%)

You are required to build a responsive website for the given scenario

This implementation should utilise your knowledge of HTML5, CSS3, Javascripts, jQuery and responsive web design. The website should be respond to various device sizes, including desktop, tablet and handheld devices.

Report (25 Marks)

You will be required to submit a report from 1000-1500 words along with your submission.

The report must include:

- Your approach to the problem, and a site map for the scenario
(12 Marks)
- Your approach for deciding the layouts for the implementation of the scenario
(13 Marks)

Website (50 Marks)

The website must have the following

- The ability to navigate through the website and find the ad, as described in the scenario description
(15 Marks)
- Responsive layouts for mobile and tablet devices
(15 Marks)
- Utilisation of jQuery and Javascript to reserve the said ad
(15 Marks)
- Code comments for HTML, CSS and Javascript files submitted
(5 Marks)

Presentation (25 Marks)

You will be required to do a short presentation of 10 minutes, do make sure to allocate time for the demonstration for your deployment during this

- A short presentation about your design approach for the problem
(10 Marks)
- A demo for the website
(10 Marks)
- Answering any questions by the students for your solution
(5 Marks)

Instructions for Submission

- Create a folder named with the module code, and include the student number for all the members of group e.g. ModuleCode_StudentNumber1_StudentNumber2
- Include your implementation, presentation and the report within the folder
- Include an attached copy of individual contribution form for each member and get the other members to sign it (scanned versions)
- Compress your folder into .zip and submit using moodle link

Student Name: _____

Group Member 1: _____

Student Number: _____

Group Member 2: _____

Group Member 3: _____

Contribution to the project (200 words max):

Signature Member 1: _____

Signature Member 2: _____

Signature Member 3: _____

General Assessment Submission Requirements for Students:

1. Online assignments must be submitted no later than the stated deadline.
2. All relevant provisions of the Assessment Regulations must be complied with.
3. Extensions to assignment submission deadlines will be not be granted, other than in exceptional circumstances. To apply for an extension please go to <http://www.dbs-students.com/Registrar/> and download the Assignment Extension Request Form.
4. Students are required to retain a copy of each assignment submitted, and the submission receipt.
5. Assignments that exceed the word count will be penalised.
6. Students are required to refer to the assessment regulations in their Student Guides and on the Student Website.
7. Dublin Business School penalises students who engage in academic impropriety (i.e. plagiarism, collusion and/or copying). Please refer to the attached referencing guidelines for information on correct referencing.

What is referencing and why is it necessary?

Please follow this link to the Harvard Style Referencing Guide - all referencing is required in this format.

http://issuu.com/dbslibrary/docs/harvard-referencing-guide/1?mode=a_p

The School of Arts generally use APA Referencing , information is available under DBS library guides on www.library.dbs.ie.
